. . . . the roar of the crowd when a touchdown is scored, the clear strains of the band piercing the stillness of the stadium as red and white pom poms grace the sincereness of the alma mater . . .

. . . . the energetic shouts of the lively yell kings and cheerleaders, the corn poned dramas that bring a friendly laugh at pep rallies . . .

. . . . the brave speech of quaking freshmen seeking office, the hopeful mob awaiting Student Body election results and then breaking into joyous hysteria . . .

. . . the surface indifference of an upper classman covering the inner pride in a term paper . . .

. . . . the hurried hustling of students in hall ways . . .

. . . . the long awaited leisure of lunch . . .

. . . . the stampede as the final bell rings . . .

. . . . the solemn faces of students as the flag is being raised . . .

. . . . THIS IS SCHOOL SPIRIT.

An aerial photograph showing Lawndale High School and its surrounding community. The school is a large, modern building complex with several wings, situated in the lower-left portion of the image. To the right of the school is a dense residential neighborhood with many small houses. A major road, likely a highway, runs diagonally across the bottom of the image. The overall scene depicts a suburban setting with a mix of built-up areas and open land.

DEDICATION

Lawndale High School has grown and prospered thanks to the untiring efforts of the community. Without its help and support Lawndale High School could not have become what it is today.

Since its doors opened in 1959, Lawndale High School has seen a growth not only in facilities, faculty, and student enrollment, but in individual growth as well. Seniors are four years wiser. Present freshmen will be coddled and encouraged by teachers, parents, and friends until they too are ready to step out into an adult world.

In the back ground stands the firm support of the community, providing recreational programs, health clinics, career day speakers, scholarships, and above all its understanding and fine examples of citizenship.

Who is the community? It is the parents, the businessmen, the speakers at assemblies, the civic leaders, and our neighbors discussing the weather.

We are, therefore, grateful and proud to be a part of Lawndale and to dedicate this 1963 Tiros to the people of this community.

ADMINISTRATION

BOARD OF TRUSTEES

George W. Bradford, Member; Herbert D. Bartelt, Vice President; Guy W. Lively, son, President; Chester A. Brown, Member.

We are proud to have our school under the guidance of these distinguished men and women. At the Board meetings the district administrators plan budgets, prepare calendars, supervise building programs, select text books, guide the work of the curriculum activities, and many other things for the benefit of our school.

The interest of our school administrators is apparent by their enthusiasm displayed at games, their help at our other school activities, and by their encouragement and thoughtfulness toward our students.

Through the combined efforts of our district and school administrators, Lawndale High School has become the wonderful school it is today. We would, therefore, like to take this opportunity to thank them for their diligent help and unfailing understanding.

THEY SPECIALIZE IN FRIENDLY SERVICE

Students at Lawndale have a great many friends; not the least of which are the clerical, custodial, and cafeteria staffs. Who do we turn to when something unexpected happens? We know that if we need to telephone, or if we're a penny short, someone will help us out. We really have a friend in these people.

The smooth progress of serving our school banquets, organizing our school systems, and keeping a shining campus before the public rests in their capable hands.

WELCOME DANCE

Sing along with Judy!

"No! I want this dance with Mr. McGuire."

Larry and Pat prove to Vickie and Barbara they have what it takes.

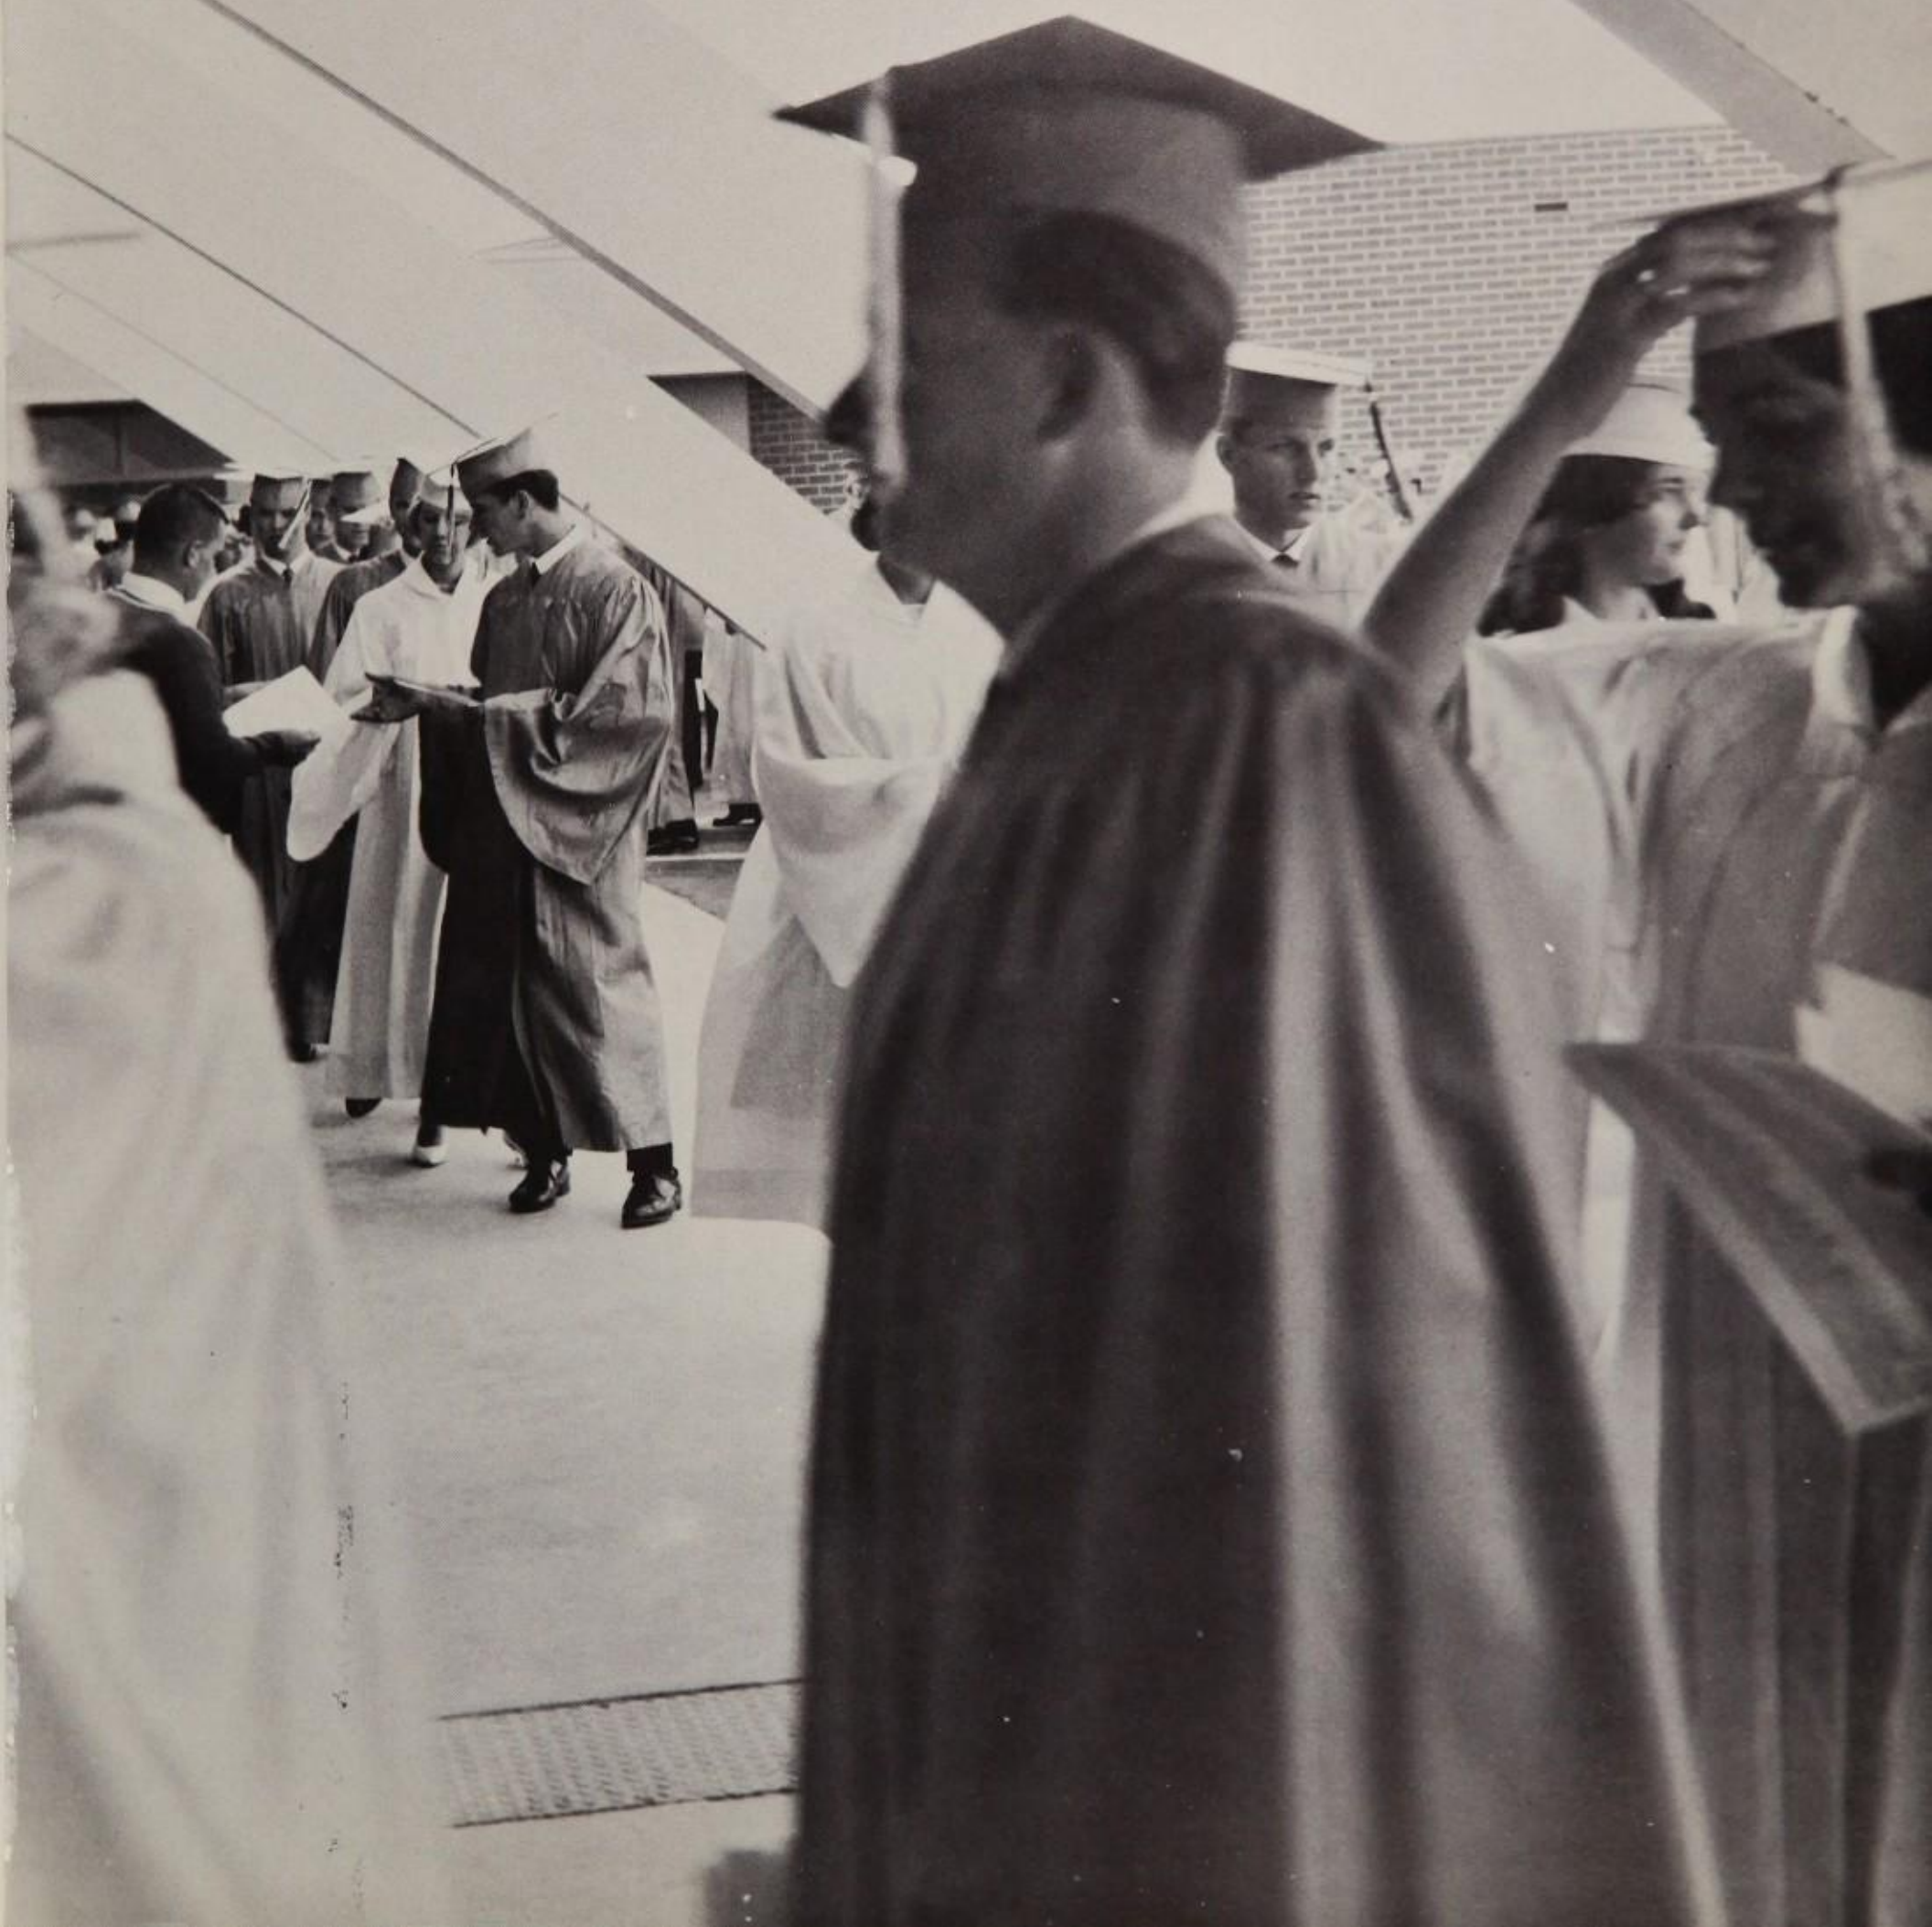

WELCOME DANCE

"Welcome" was the theme for our first dance of the year. It was sponsored by the Senior Class as a special way of welcoming the incoming Freshmen.

The Gym was a mass of red and white with "Welcome" written in large letters everywhere. Amidst all these decorations, everyone was dancing and having fun.

To highlight this evening of fun, Barbara Eatinger and Janice Atwood sang "Getting to Know You." We are sure the memory of this dance will linger in the minds of the Freshmen for a long time to come.

OF 1963

DINAL

SUPPLEMENT
1963 TIROS

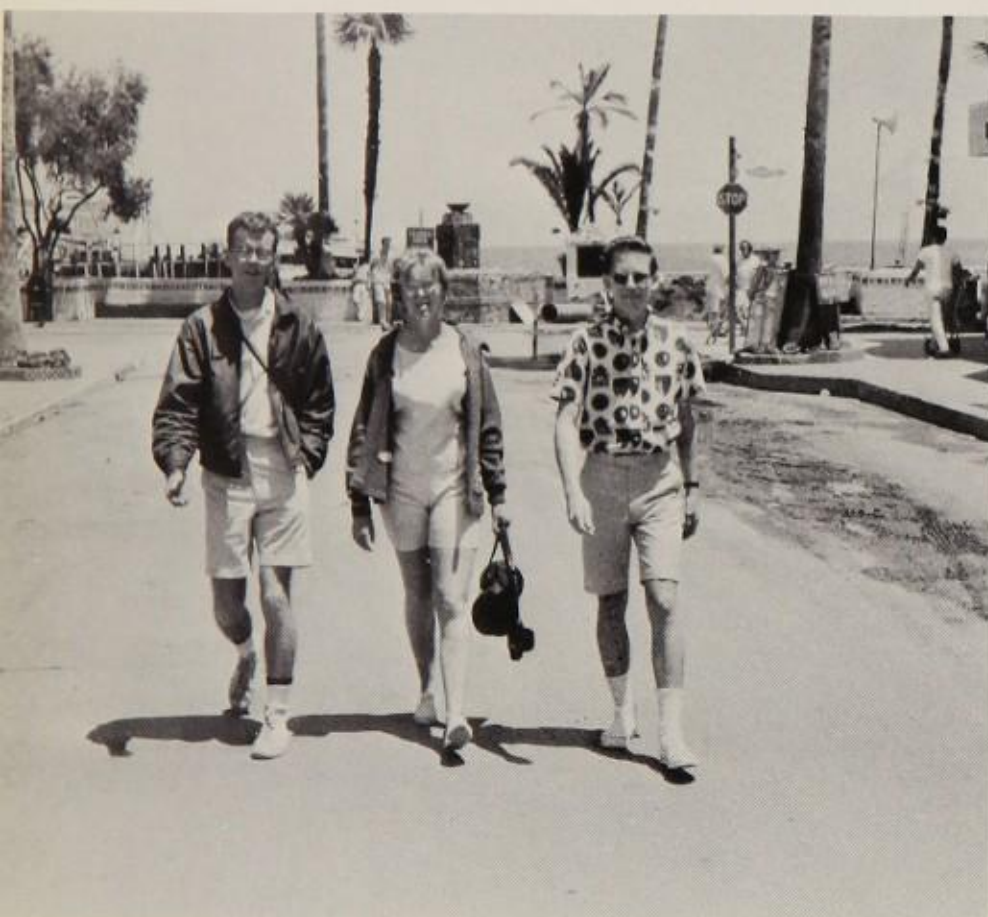

Where can we ditch the teachers?

The S. S. Catalina.

SENIOR

What, a Swiss Miss on Catalina?

Jerry, is it really 26 miles across the sea?

Hey fellas, where did they go?

All aboard!

Do you think we will ever make it?

On May 10, 1963 the Island of Catalina was invaded by the Senior Class of Lawndale High School, all riding bicycles! The occasion—Senior Ditch Day.

The fun began when we boarded the S.S. Catalina for the two hour boat ride over to the Island. Have you ever tried dancing on a boat while it is rocking back and forth? That was one experience, I am sure, the Seniors will never forget.

It was obvious by the smiling faces, that this "Ditch Day" will never be forgotten by the Seniors, as well as the native Islanders.

Home James, and don't spare the horsepower.

Well we are here,
now what do we do?

The cast caught in a moment of surprise calisthenics.

YOU CAN'T TAKE IT WITH YOU

Prop girl, Frankie, shows she's handy with a hammer too!

David helps Allen with his Boris type makeup!

YOU CAN'T TAKE IT WITH YOU by Moss Hart and George Kaufman, was the title of Lawndale High School's 1963 all school play. Although the students had only four weeks in which to rehearse and produce the play, it was obviously a roaring success.

FOURTH ANNUAL CHRISTMAS DANCE

Bells, Beaux and Boughs of Holly . . . Dressed in red and white streamers and bells, Lawndale High's gym was ready and waiting for the Fourth Annual Christmas Dance.

Excitement was aroused among the students for it was the night for one of seven finalists to be crowned Miss Christmas Carol for 1962. This excitement of the crowd was soothed somewhat by the romantic music of the famous Esquires Band.

At last it was time, and the seven finalists were escorted through the beautiful red and white arch and stood awaiting the final announcement. As Janet McRae stepped up to the microphone a sudden quietness fell over the entire group gathered in the gym. "The new Miss Christmas Carol for 1962 is—Miss Judy White." Cheers of joy rocked the gym as everyone began congratulating Judy and her court.

After many tears and pictures, the music began playing and everyone settled down to enjoy the rest of the dance.

Students live and learn by doing. The understanding of Democracy and its many problems comes to life when students are given the opportunity to serve the school in leadership capacities.

Our Student Body Officers have formed the foundation of our school government. They have formulated policies, developed school activities and assisted students in learning to do their share and to take the responsibility of leading a school.

With the help of these Student Body Officers, Lawndale High has been able to maintain its high standards and has taken one more step toward a more Democratic way of life.

To enforce the laws of Lawndale High School it is necessary to have a Judicial branch along with the Executive and Legislative branches of our government.

The purpose of this Judicial branch is to interpret the laws of the school and to help students to understand the ways in which a real government is run.

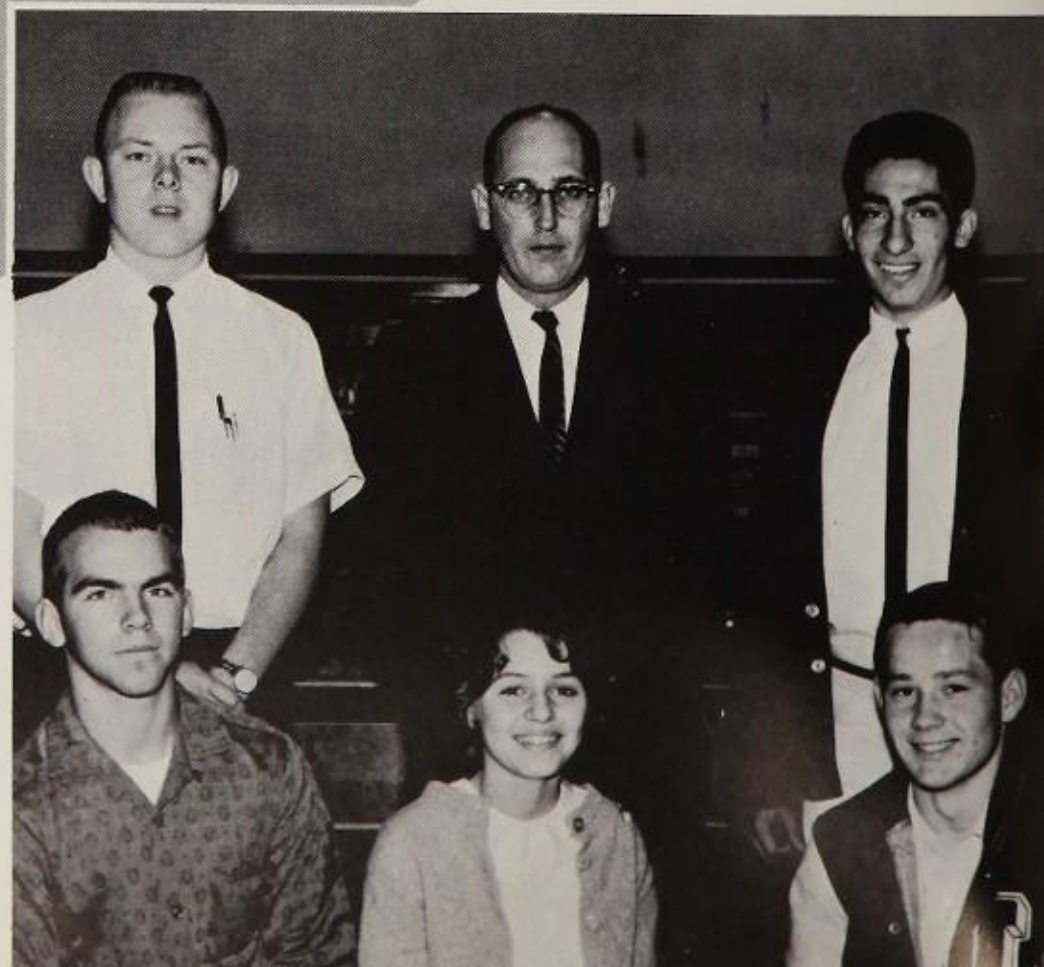

When a law is broken, the defendants are first taken to their respective class courts. If the decision is appealed the case is then taken to the Supreme Court, where the final verdict is rendered.

VARSITY COACHES

These coaches have put a lot of time and effort to develop the football team of Lawndale High School. During the past four years, they have worked hard in creating a strong squad. Our football season this year was not as successful as predicted. This was due to the lack of our players' size and not to the lack of coaching. We appreciate the great job these coaches did and we are sure that they will keep up their work for the years to come.

VARSITY SQUAD

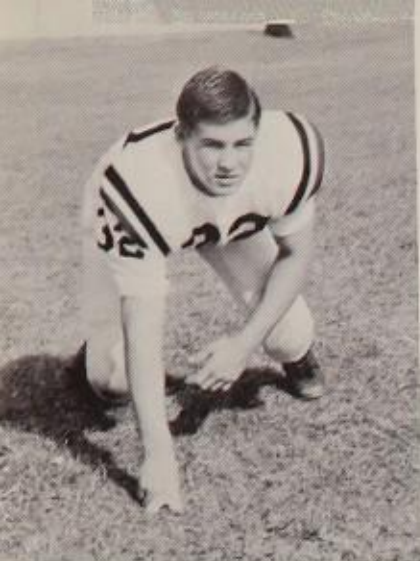

Rough and rugged playing started the 1962 football season. Cardinals showed a never-die spirit though they began and ended as losers. Out of the nine games played, Cardinals won only two and ended the Palos Verdes game with a tie of 20 to 20. Our two victories were against West High, 20 to 0, Humphries scoring 14 and Paulson six. The second victory was with Beverly Hills, 21 to 0, Paulson scoring 12, Humphries two, Presswood one, and Dozier six.

FIRST HOMECOMING BIG SUCCESS

With shouts of "23 skidoo" and "Oh you kid," Lawndale's first homecoming celebration began at 6:00 p.m. with the Pep Squad, Band, Flag Girls, Drill Team, and Majorettes gathering in the gym for a Roaring 20's Pep Rally. After the rally, students, alumni, and even parents, piled into their cars and went to Hawthorne's field for the big game between the Cardinals and the Lancers. The spirit of the crowd was overwhelming and its shouts bounced throughout the stadium. During half-time all the candidates for Varsity Sweetheart were introduced before the crowning at the dance.

Honorary Princess
Miss Claire Bapst

After the game everyone returned to Lawndale High for the long awaited Homecoming Dance and danced to the music of the Cardinal Dance Band while awaiting the crowning of Miss Varsity Sweetheart. Finally, the music stopped and everyone directed their attention to Janet McRea and Jim Smith for the announcement of the winners. The girls were: Honorary Princess, our own Swiss Miss, Miss Claire Bapst; Fourth Princess, Miss Pam Craig; Third Princess, Miss Pat Newton; Second Princess, Miss Carmen Acosta; First Princess, Miss Georgiann Messner; and the new Homecoming Queen for 1962-63 was popular and pretty Miss Tania Gerardo.

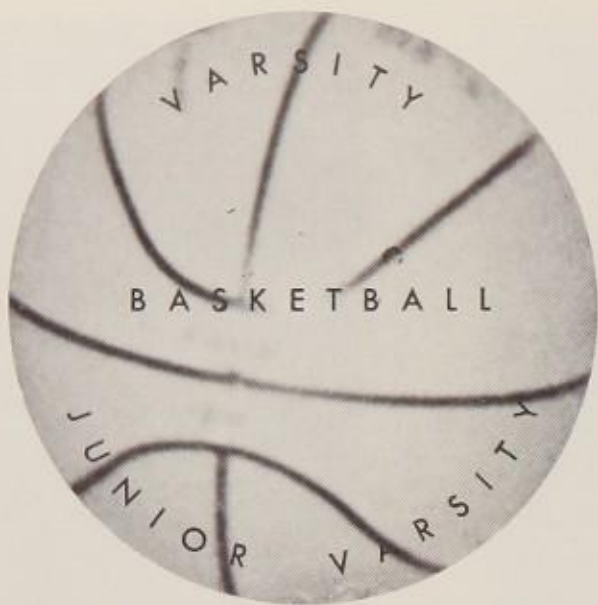

The Coronation was followed by tears, congratulations, and pictures of Tania and her court. The memory of this first Homecoming Game and Dance will long be remembered by the students and alumni of Lawndale High School.

Our new mat that we received this year has proved to be a great help in developing a strong team. CROSS COUNTRY—With Mr. Findley coaching the cross country team this year, Lawndale's runners showed outstanding results. Two boys in particular, Jim Smith and Roger Ely were this season's best all-around trackmen. They, along with the other team members gave the competition a real run for their money.

VARSITY TRACK—Let's move in for a close look at the Varsity track team. Events in which our team participated this year were Pole Vaulting, with Steve Alt as star vaulter;

Distance Running, with Jim Smith leading the team; and High-Jumping, with Tom Duncan setting the record at this writing. Supporting these three outstanding athletes was a fine group of qualified trackmen, showing the Cardinal Spirit at all of our events.

BEE'S AND CEE'S—In a word, efficient described our Bee's this past year. Many of the Bee members participated in Cee events and vice versa, making this team the strongest of all of Lawndale's track groups.

FROM THE DUGOUT

Always one of our strongest areas, baseball this year has brought forth a few new names in team work. Outstanding in defense was Terry Dozier, whose action in tight spots kept the team rolling. Gary Paulson was generally acknowledged to be the team's most valuable player, and he kept his batting average between .370 and .400.

The other team members proved to be just valuable in their areas, and together made a formidable opponent for any of the Pioneer League teams.

Just as important as boys sports at Lawn-dale High was the G.A.A. girls sports. Although the G.A.A. did not participate in sports like football and track, they did run the boys a close second in basketball and baseball.

The G.A.A. did not have weekly league games, but had a playday at least once every quarter, where they competed against other schools in the Pioneer League. In the past years, the G.A.A. teams were fortunate to have taken first place many times. This year they have kept up their previous record.

The G.A.A. is not only interested in sports, but, they also have performed many school services. The girls sold programs at football games and sponsored a Christmas dinner for a needy family at Christmas time.

Highlighting a successful season, was the annual G.A.A. Banquet, where awards were presented to the top G.A.A. girls and the new officers were announced and installed.

GAA MEMBERS SHOW THAT PRACTICE MAKES PERFECT

Participating and placing high in many of the Sports Days throughout the year required much practice. The G.A.A. girls certainly knew this for our fields were literally filled with members every Monday and Wednesday afternoons. By their continued hard practice, Lawndale High's G.A.A. proved that the old saying, "Practice makes perfect," is indeed true.

MODERN DANCE

"Bend and stretch, stretch and bend . . ." these were familiar words known to every member of the Modern Dance Class. Although this is the first year Lawndale has had such a class, these students can be very proud of their many accomplishments.

Led by Miss Diane Boyd, this class has made amazing progress. They appeared in the 1963 Talent Festival held at Hawthorne High's Nyman Hall, attended Modern Dance Seminars at different schools, and appeared often in our own school assemblies.

Needless to say, our newly formed Modern Dance Class has proved itself to be a great success here at Lawndale High School.

ACTIVITIES

CARDINAL PEP SQUAD

Leading our school cheers at every game and pep rally this past year were the five Cardinal Cheerleaders, while the songs and Alma Mater were led by the five Song Queens.

Among the many activities these ten students joined in, were the hour long Homecoming Pep Rally and the song leaders clinic at Artesia High School which the Song Queens attended.

Working along with the pep squad were the two sponsors, Miss Spratler and Mr. Del Rio, who were especially interested and helpful to the group.

With the backing of the administration and the teachers' excellent cooperation these twelve people were able to lead and represent the school in an outstanding way.

A big source of school spirit this past year has been the Girls League of Lawndale High School. This year the club was bigger and better than ever. It is open to all girls at L.H.S.

Some of their projects and activities this year included the annual Fall Fashion Show, the Powder Puff Game with the G.A.A., the Sale of School Spirit Buttons, the Dad and Daughter Banquet, and sponsoring the ever popular Backwards Dance in March. It is plain to see why the Girls League is one of the biggest clubs on campus.

CARDINALETTES

"What are all those crazy girls doing on our field at this time of the morning?" This was a common question asked by the students of Lawndale who came to school at 7:30 each morning. Those so called, "crazy girls" were our Lawndale High School, Cardinalettes. Every morning, at the crack of dawn, these girls were on the field, in gym clothes, marching. "Nor rain, nor sleet, nor snow," could stop our drill team. No matter what the weather, they were practicing every morning.

Led by their captain, Jo Wright, and lieutenants, Linda Cody and Joan Murray, the Cardinalettes marched their way through a very successful season. Their sponsor, Miss Diane Boyd should be commended on her work in making this year's drill team the best ever.

Meet that deadline! These were very familiar words confronting each and every member of our Lawndale High School journalism class. Writing, rewriting, checking copy, and correcting proofs every day in order to meet the two-week deadline were a few of the many different tasks faced by this staff. Led by their Editor-in-Chief, Christine Radkey, the Hi-Lites Staff has greatly improved over last year. Mrs. D'Asaro deserves a vote of thanks for giving her time and energy in order to supply the students of Lawndale with a newspaper every two weeks.

TIROS STAFF

School Spirit—that was the theme of the Tiros Staff this year and room 507 was school spirit headquarters.

Inside this room students were frantically meeting deadlines, solving massive problems of organizing the picture-taking of hundreds of students, and selling advertisements in a desperate effort to stay ahead of the bills. These, plus the brain racking task of composing write-ups were only a few of the crises which faced the yearbook staff.

This year the Tiros Staff worked extra hard to put out a good yearbook, and this they did as you can plainly see! Due to their effort, the yearbook has full color end pages. Another first will be the supplement which comes out in the fall.

As the old saying goes, "All good things must come to an end," and this past year is no exception. Now is a good time to pause and thank the many persons who contributed to the production of this yearbook—the 1963 TIROS.

Just love those deadlines.

Will we ever finish?

Chalk up a big success for Lawndale High School's second annual Senior Play, *Papa Is All*.

Peg Voreis as Mama and John Ferdig as Papa led the presentation to its well deserved success.

Although the Menonite dialects are very difficult to manage, the entire cast should be commended for the way in which they handled this type of speech. The co-stars, Frankie Reed as Emma, Tom Kuck as Jake, and Pat Donahue as Mrs. Yoder, were a roaring success in their supporting roles.

There is talent behind the curtains, too!

CLAIRE...

OUR SWISS MISS

MISS CLAIRE BAPST

A.F.S.

Claire has been one of our best students. She has proved herself to be an excellent ambassador for Switzerland and the American Field Service. Her interest and co-operation in the AFS was very genuine and she participated in AFS affairs eagerly. She had great tenacity and seriousness of purpose and was interested in the people and customs of the United States.

A sunny attitude and bright smile was an outstanding attraction to everyone around her. It was very heartening to see how close she became to so many people in such a short span of time.

She was extremely adaptable and fitted in perfectly with her new family, the Sychowski's, feeling at home in a matter of just a few hours. She enjoyed and will never forget going places and doing things with her new family and friends.

All in all, Claire was a wonderful AFS'er and contributed much towards world understanding. Merely by being in America she has helped remove many of the doubts and prejudices about both countries.

Dear Tiros Readers,

The end of the year approaches and soon I will go back with more luggage than I came with. From where am I, and what is the luggage? Geneva in Switzerland is my native town. I always lived there till I took the Aeroplane and went to spend one year in the new world. The luggage that I will take with me are special ones. Most of them do not go in suitcases but will stay as long as I shall live in my mind.

I am born on a Sunday and I arrived at Los Angeles aeroport on a Sunday. Probably to the people, who saw me during the first days, I looked like a new born, and even if I did not, I felt so because to live in California was the beginning of a new life.

The first thing I did when I came in my new home was to have breakfast, to me it seemed a dinner because in Geneva breakfast means bread, butter and jam with coffee and here I was served pancakes with bacon, etc.

The life in town is different too. In fact, towns look different here than in Switzerland or other countries in Europe. Over there you will never see a town where streets are bounded with homes which are houses of only one floor. When we live in a town, we live in apartments (buildings between four to eight floors) and you have shops on every corner. You go shopping every day, you buy your milk, your meat, your bread, your vegetables, because there are a lot of homes where there is no refrigerator. In our towns, you see more people on the sidewalks because not everybody has a car.

Later on, I went to school. It was quite an experience because it was the first time I went to school with boys. I even did not know what a locker and its use was. The first days were not the most interesting ones for yet there were not many activities. Now, I am attached with this kind of school life. In Geneva, I went to school only for studies that means no clubs, no football, basketball games, no school dance, no prom. The single activity of a class which graduates is a five day trip.

I think this year will be for ever the most exciting one. I do not regret to have left my family, my friends because it is much more exciting to live one year somewhere else.

I do not know how to end this letter because I never knew how to say good-bye. I want to wish to the seniors a good future career and for the other students to have a chance to be an exchange student.
